

Why Gamma Saves Time & Effort

1. Traditional Presentations Waste Time

- 47% of presenters spend 8+ hours designing slides.
- 28.5% spend 5-8 hours just on formatting.
- That's 8+ hours per month wasted on layout tweaks instead of content. (Source: Venngage)

2. AI-Powered Speed with Gamma

- Traditional tools take 8-12 hours to create a full deck.
- Gamma cuts that down to just 45 minutes to 2 hours.
- AI handles formatting, so you focus on what matters.

3. Free to Get Started

- Gamma's Free Plan includes 400 AI credits (10 presentations) and basic templates.
- No subscription needed—start creating presentations instantly.
- We'll be using the Free tier for this lesson.
